Our Mission/Vision

Core Value: Is the individual's Biblical response and responsibility to God and others.

Vision: Our vision is the development of godly character resulting in participants and staff who become leaders for serving churches and reaching communities.

Mission: The mission of Camp Bighorn is to steward environments that are conducive to the work of the Holy Spirit, proclaiming the Gospel of Jesus Christ and developing Kingdom leaders.

Strategy: In accomplishing the purpose, mission and vision, it is the philosophy of Camp Bighorn to emphasize relationships. Knowing that the Gospel of Jesus Christ speaks to people and not to facilities or programs, three main strengths within the camping program will be used **Discipleship, Small Groups, and Changed Environments.** The programs will be designed and staffed in such a way as to emphasize:

- Grace over Law
- Discretion over Rules
- Education over Entertainment
- Involvement over Observation
- Practical over Theoretical
- Process over Product
- Hospitality over Efficiency
- Challenge over Complacency
