

# Fundraising Checklist

## o **Make a List**

Start by making a list of friends, family and church members that you know.

*Talk to your parents about any of their friends that would be interested in hearing about what you will be doing this summer.*

## o **Write at Newsletter**

Draft a newsletter to send to this list of people that will communicate what you will be doing this summer and asking them if they will support you financially and through prayer. Don't forget to have someone proof read it for you!

*Check out our Summer Staff Fundraising Resources at [www.campbighorn.com](http://www.campbighorn.com)!*

## o **Send It**

Mail out your newsletter to your list of contacts.

## o **Follow Up**

Take some time to call or meet with a couple key people on your list that have played an important role in your life.

## o **Thank Them!**

As monetary funds come in we will let you know via email so that you can follow up with a Thank-You card or letter.

## o **Keep them Updated**

Make sure that while you are at camp this summer you keep those who have supported you posted on what you are experiencing so that they can share in your excitement and growth as well as continue to pray for you.

*Email, Facebook, blogging ect. are really great ways to do this!*

## o **Reflection**

A lot happens in a summer at camp. Take some time at the end of the summer to reflect on your time and write about it. Communicate your reflections to your supporters and your list of close friends and family to share the work that the Lord has done in your life.
